Ministry Resource Guide

Ministry Resource Guide 2008

This publication is a listing of people from the broader church constituency of Vision Ministries Canada that are involved in at least half-time or full-time financially supported ministry in our country. It also includes retired ministry personnel.

This is the fifth edition of this bi-annual publication which in earlier years was published by Interest Ministries in the United States.

The people listed are from diverse styles of congregations, many of which have historical roots in that stream of churches known as the Brethren movement. These Canadian congregations are not as formally organized as many Christian denominations are; in fact there are three “loosely describable and overlapping” groupings of Brethren related congregations in Canada today. So some of the people listed minister to and among; “Adaptive Chapels and Churches” (often associated with Vision Ministries Canada), some minister among “Conservative Bible Chapels” and some minister among congregations commonly known as the “Gospel Halls”. See VMC web site for further description of these groupings.

The people listed have been asked which group they primarily serve. As a result, listings include a description of the kind of congregation(s) the individual primarily serves.

These congregations also use different terms in describing the process of setting people apart for financially supported ministry. Some refer to this process as commissioning, some refer to it as commending and others simply describe it as “hiring staff”. Each of these term is a general equivalent of the term *ordination* that is used by many denominations.

Those who have been commissioned, commended or hired are accountable to the leaders/elders of the church that appointed them to ministry. They are asked to verify their current ministry status prior to their inclusion.

It is our hope that this publication will be helpful for the following purposes:

- ✓ As a ministry referral guide
- ✓ As an official listing of ministry personnel; for legal, government & insurance purposes
- ✓ As a prayer list

Gord Martin
Vision Ministries Canada

As a prisoner of the Lord, then,
I urge you to live a life worthy of the calling
you have received.
Be completely humble and gentle; be patient,
bearing with one another in love.
Make every effort to keep the unity of the Spirit
through the bond of peace.
There is one Body and one Spirit – just as you were called to
one hope when you were called
– one Lord, one faith, one baptism;
one “God and Father of all, who is over all
and through all
and in all”.
